- Released on KDE's website and to the media
- Released to USDOE databases (NCES, CCD, EDEN, and etc)

How do we collect Nonacademic Data?

- District use the IC system to track students.

- Multi-Year Syncing will be configured by IC

- First time ninth grade cohort information needs to be entered

- Districts run nonacademic report in IC throughout year.

- Districts correct any students appearing on error reports.

- KDE pulls Nonacademic Data reports on or after Oct 1st.

- KDE creates rates and other statistics.

- KDE sends rates and other statistics for review.

- KDE finalizes nonacademic data for reporting.

Multi-Year Sync

- KDE will work with IC to determine data needed to sync over multiple years

- IC will configure multi-year sync for determined data

- Data needed to sync over multiple years for the Nonacademic Report includes:
    - Enrollment Data
    - Graduation Data
